Details on Manuscript Comments: Final

Every a number (listed in parentheses down below) of comments made by different commentators about a manuscript on its **MOON BUNNY CAFE** project page will unlock a chapter release within the week. If this milestone is met by multiple users, we are allowed a period of 1 week between each novel release if something strange happens to us. Project pages are where the chapters are listed on **MOON BUNNY CAFE**. Milestone numbers can be changed whenever we need and will be rolled in the second number of the current status. Once a milestone is met, it will roll back to zero once it's cleared. That is your chance to get a release of your favorite novel!
